

Todd Park F Neighborhood Roadway Reconstruction

June 18, 2014

Dear Resident:

You recently received a construction notice update from the City of St. Louis Park for their "2014 Pavement Management Project." As you will recall, Todd Park F (Mackey, Brook and Coolidge avenues) in Edina are to be reconstructed as part of this project. These streets are scheduled for reconstruction mid-July to mid-August.

We encourage you to sign up to receive the City of St. Louis Park's Constant Contact email updates. Go to this website <http://www.stlouispark.org/construction-updates.html> and click on the graphic that looks like a blue envelope to sign up. Select "2014 Pavement Management" from the list of options. You also have the option of receiving paper updates by calling their Engineering Department at 952-924-2656.

If you've already signed up for our City Extra email you will receive construction updates.

If you have construction related questions, please contact the City of St. Louis Park's onsite inspector, Al Oliveira at 952-924-2670, or project manager Jack Sullivan at 952-924-2691. You can also contact me at 952-826-0318 or cmillner@EdinaMN.gov.

Regards,

A handwritten signature in black ink that reads "Chad A. Millner".

Chad A. Millner, PE
Director of Engineering
